Please include a brief statement below which explains how your examinations succeed in identifying the qualities associated with Scholarship.

Candidates sit two papers of two hours duration each. Recommendations for Scholarship will be based in accordance with the Joint Honors Foundation Scholarship rules.

Maths Paper C consists of problems related to the modules MAU22101 and MAU23203.

Maths Paper D is a general paper consisting of unseen problems in mathematics and mathematical modelling that can be attempted by students who took the compulsory modules MAU11101, MAU11102, MAU11201 and MAU11202 during their Junior Fresh year.
